

think**FOUND**

Workshop East London, Leyton
thinkFOUND unit 2, 11 Argall Ave, E10 7QE
Manufacturer & Employment Training Operator

What we do:

- Create and sell reclaimed wood tables & benches. For private and commercial clients.
- Work with other recycled and low CO2 emitting materials.
- Create Outdoor furniture; large planters and seating.

Social Mission:

- Working with 16-25 years old to become employable.
- Offering life skills, work environment training & transferable skills.
- Work with NEETs & At-Risk youth mainly from BAME communities.
- Increase diversity in the creative and construction industry.
- Give opportunities to those furthest from employment pathways.
- Reduce Youth Violence.

Not For Profit Social Enterprise | www.thinkfound.co.uk | info@thinkfound.co.uk | 0208 556 9501

thinkFOUND is a furniture manufacturer with a difference. Located in our East London workshop we don't just make custom made tables from the waste product of scaffold boards with a turnaround of 6-8 working days... we are also a Not For Profit work experience platform for young persons frustrated with a lack of meaningful work experience. At **thinkFOUND** young people are given the opportunity to seek structured employment, a change in career and a work reference with mentoring.

Our organisation is set up as a Social Enterprise designed to give opportunities to those furthest from the employment market. We provide an individually tailored platform for people to learn skills, acquire qualifications and enhance employment prospects in a supportive, friendly environment.
